

Prayers

Monday 14th

THANK YOU Lord for the splendour and diversity of life on earth. From bees to baboons, daisies to giant redwoods, Zulus to Scots, our minds just cannot take in your wonders.

Tuesday 15th

We are SORRY when we take for granted all that You have given us. Destruction of rainforests , pollution of water, global warming, driving species to extinction, all the result of the selfishness of human kind. Please forgive us.

Wednesday 16th

PLEASE show us the ways in which we can save our beautiful earth. Show us how in our daily lives we can make changes . We pray for the governments of the world that they will be able to make difficult decisions .

Thursday 17th

THANK YOU for friends and family and the many ways in which they support us. Thank you that they are there when we need them.

Friday 18th

We are SORRY for the times we have missed opportunities to help. We are sorry when we haven't listened or convinced ourselves that we haven't the time to help. We are sorry for the times when we have told ourselves not to get involved.

Saturday 19th

PLEASE open our eyes, Lord, so we can see more clearly when we can help someone, whether they be friend, family or stranger. Remind us that You will always give us strength.

Sunday 20th

This is the day that the Lord has made! We will rejoice and be glad in it.
