

**Hinckley United Reformed Church.**  
**Prayers for week beginning 21<sup>st</sup> July 2025**

**Monday 21<sup>st</sup>**

Lets start the week with saying thank your for all Doctors and Nurses. Especially this we know, those who treat us and members of our family and friends

**Tuesday 22<sup>nd</sup>**

Today we could think about our dentist and optician, I don't mind going to the opticians but the dentist is not my favourite place.

**Wednesday 23<sup>rd</sup>**

Today we think about those people who have no medical people they can visit and those who don't have the money to pay for a trip to any type of medical staff. We are well off in this country with the NHS.

**Thursday 24<sup>th</sup>**

Pray for all the Pharmacists we have. Both Betty and I get our medication delivered to our door. (We should remember those people who do not have pharmacy near their home.

**Friday 25<sup>th</sup>**

Praise the Lord for the new diagnostic centre in Mount Road. Betty has been inside it for getting her hearing aids serviced. But it will be used for all sorts of illness.

**Saturday 26<sup>th</sup>**

Think about those who work in sport. Players and staff.

**Sunday 27<sup>th</sup>.**

The Lords Day. Time for worship. Pray for those leading our worship today. My the Lord bless all who attend the service or listen to it on line.
